

Advertise with The Explore Group and reach locals and visitors for less!

Banner ads: Ad base rate is only \$150 per month, with a 3 month minimum

All ads are placed on our homepage
for optimum impressions and click-throughs.

We support our advertisers through our social media pages which also reach thousands of people each month. Advertisers receive 2-3 posts on our social media per month at no additional charge, including content and photos.

We write too! An (optional) article about your business is another great way to get your name and your story out there to potential customers and we'll publish a piece about your business at no additional charge.

With nearly 30 years experience in digital marketing, writing, publishing and social media management, our experience will work for you.
